

## 36<sup>th</sup> M.P. Young Scientist Congress March 23-26, 2021

### Programme Schedule

| S.No.                       | Date           | Time  | Programme   | No. of Participants |  |
|-----------------------------|----------------|---|---|---------------------|--|
| 1                           | March 23, 2021 | 12:15 PM to 01:30 PM  | Inaugural Session                                       | 200-250             |  |
| 2                           | March 23, 2021 | 01:30 PM to 02:00 PM  | Lunch Break   | -                   |  |
| 3                           | March 23, 2021 | <b>Parallel Technical Sessions/Presentations</b>  |   |                     |  |
|                             |                | 02:00 PM to 03:30 PM<br>&<br>03:45 PM to 05:30 PM<br><br><i>(Break from 3:30 PM to 3:45 PM)</i>   | Agricultural Sciences                                   | 08                  |  |
|                             |                |   | Civil Engineering                                       | 05                  |  |
|                             |                |   | Computer Science Engineering and Information Technology | 11                  |  |
|                             |                |   | Earth and Atmospheric Science                           | 05                  |  |
|                             |                |   | Environmental Sciences                                  | 08                  |  |
|                             |                |   | Mathematical Science                                    | 07                  |  |
| Mechanical Engineering      | 08             |   |   |                     |  |
| 4                           | March 24, 2021 | <b>Parallel Technical Sessions/Presentations</b>  |   |                     |  |
|                             |                | 10:00 AM to 11:30 AM<br>&<br>11:45 AM to 01:00 PM<br><br><i>(Break from 11:30 AM to 11:45 AM)</i> | Chemical Sciences (BATCH I)                             | 12                  |  |
|                             |                |   | Electrical and Electronics Engineering                  | 12                  |  |
|                             |                |   | Life Sciences (BATCH I)                                 | 12                  |  |
|                             |                |   | New Biology (BATCH I)                                   | 10                  |  |
|                             |                |   | Veterinary Science and Animal Husbandry                 | 10                  |  |
| Physical Sciences (BATCH I) | 12             |   |   |                     |  |
| 5                           | March 24, 2021 | 01:00 PM to 02:00 PM  | LUNCH BREAK   |                     |  |
| 6                           | March 24, 2021 | <b>Parallel Technical Sessions/Presentations</b>  |   |                     |  |
|                             |                | 02:00 PM to 03:30 PM<br>&<br>03:45 PM to 05:30 PM<br><br><i>(Break from 3:30 PM to 3:45 PM)</i>   | Chemical Sciences (BATCH II)                            | 04                  |  |
|                             |                |   | Life Sciences (BATCH II)                                | 05                  |  |
|                             |                |   | New Biology (BATCH II)                                  | 04                  |  |
|                             |                |   | Physical Sciences (BATCH II)                            | 09                  |  |
|                             |                |   | Pharmaceutical Sciences                                 | 09                  |  |
| Plant Sciences              | 09             |   |   |                     |  |
| 7                           | March 25, 2021 | <b>Reserved Day</b>   |   |                     |  |
| 8                           | March 26, 2021 | 03:00 PM to 05:00 PM  | Popular Lecture & Valedictory Session                   | 200-250             |  |
